

Please Help Tech Valley BPW Posthumously  
Honor Our Woman of the Year

## Geraldine Abrams

Our community suffered the loss of Geraldine in November 2007 after her brave battle against lung cancer. Geraldine was an extremely successful and respected business woman and real estate agent in Saratoga Springs. Geraldine's innovative style and creativity led her to implement the team system in real estate. She was the first person in this area to use this system, and it led her to great success. She was a role model to many business women and men alike.

and Conference Center
