Dear Owner or Proprietor:

Tech Valley Business and Professional Women (BPW) is a local organization dedicated to achieving equity for all women in the workplace through advocacy, education, and information. One of our signature events is the annual Woman of the Year celebration. On April 21, 2009, we will be posthumously honoring Geraldine Abrams, a dedicated business woman and pioneer in the real estate industry. Our community suffered the loss of Geraldine in November 2007 after her courageous battle with lung cancer. We are pleased to be celebrating her life and honoring her contributions at our Woman of the Year gala.

An important part of the Woman of the Year celebration is our silent auction. The proceeds of the auction are dedicated to scholarships that are awarded to young women who are seeking higher education. We are asking you for donations that can be used in our silent auction and would greatly appreciate any offering you would be able to provide us. Your valuable donation will allow us continue to award these scholarships.

Please feel free to contact our president, Colleen Ostiguy, if there are any questions. Her contact information is below. Thank you for your thoughtful consideration and support.
